## Certificate of conformity of the factory production control

1301 – CPR – 0742

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

### Chimney system IGCS made of Aluminum pursuant to EN 1856-1 and EN 1856-2

are intended to convey the products of combustion from appliances to the outside atmosphere. Flue liner elements are intended for assembling and reconstruction of already existing chimneys.

Produced by manufacturer

**I.G.C.STROJAL, s. r. o.**  
**Priemyselná 12/939, 965 63 Žiar nad Hronom**  
**Slovak Republic**

and produced in the manufacturing plant

**I.G.C.STROJAL, s. r. o.**  
**Priemyselná 12/939, 965 63 Žiar nad Hronom**

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standards

**EN 1856-1: 2009, EN 1856-2: 2009**

under system 2+ for the performances set out in this certificate are applied and that

**the factory production control fulfils all the prescribed requirements  
for these performances.**

This certificate was first issued on 14 December 2011 (under the CPD) and will remain valid as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performances of the declared essential characteristics, do not change, and the construction product, and the manufacturing conditions in the plant are not modified significantly, unless suspended or withdrawn by the factory production control certification body.
